or federal-mandated “one size fits all” solution to our schools and communities takes power away from the people who know their communities the best: the residents. He believes all legal immigrants are Americans, no matter where they come from or their skin color. He supports amending or repealing the Minnesota data disaggregation bill, a bill that unfairly uses race, skin color, and ethnicity in Minnesota public K-12 schools and segregate Asian Americans into different subgroups for education purposes.

Following the endorsement, CAA-Action members will organize fundraising and volunteering activities to support Mr. Turonie’s campaign. We are proud to stand behind Mr. Turonie. Please join us in making donations to and voting for Mr. Turonie as Minnesota State House Representative for District 53A.
